Len Kasper to Depart Marquee Sports Network/ Chicago Cubs Broadcast Booth

Statement from General Manager Mike McCarthy

CHICAGO/December 4, 2020 – Marquee Sports Network announced today that Len Kasper will be leaving the network to accept a position with the Chicago White Sox.

General Manager Mike McCarthy said, “Len has been a fantastic play-by-play man for several years here with the Chicago Cubs, and we wish him nothing but the best in this new endeavor. Len is chasing a dream which he and I have discussed many times. We made a significant effort to retain Len, but he was resolute that moving to the White Sox radio position was his desire. We honor that and now begin the process of filling what is one of the premiere jobs in sports – play-by-play for the Chicago Cubs. We have already received interest from several prominent candidates who look at the job as anybody would - as a once in a lifetime opportunity to work with one of the most iconic franchises in sports.”

Marquee Sports Network is jointly owned by Sinclair Broadcast Group, Inc. and the Chicago Cubs. For more information, visit www.marqueesportsnetwork.com and follow the network on social media at @WatchMarquee.
