

## MARQUEE SPORTS NETWORK ANNOUNCES COLLEGE SPORTS PROGRAMMING

*Fall sports schedule kicks off Saturday with Illinois State football at 6:30 p.m. CT*

September 2, 2021

CHICAGO – Marquee Sports Network today announced its initial lineup of college sports programming for this fall, beginning this Saturday at 6:30 p.m. with Butler at Illinois State football. All five Illinois State home games will be broadcasted on Marquee this season, including matchups against Missouri State, North Dakota State, Northern Iowa and Indiana State. Led by head coach Brock Spack, the Redbirds have made eight FCS playoff appearances, including most recently advancing to the quarterfinals in 2019.

Additionally, Marquee Sports Network will again be home to a collection of Atlantic Coast Conference (ACC) programming, highlighted by select football games, soccer matchups and olympic sporting events, including local action with five Notre Dame men’s and women’s soccer matches.

“We’re excited to again bring live college sports to Marquee Sports Network throughout the fall, including local programs, such as Illinois State football and Notre Dame soccer, as well as more than 30 additional live events from the ACC,” said Marquee Sports Network Director of Programming, Allison Bertucci.

The full schedule of college sports programming is on page two. Additional events may be added throughout the fall, including the selection of numerous ACC football matchups currently listed as to be announced.

**ABOUT MARQUEE SPORTS NETWORK:** In partnership with the Chicago Cubs and Sinclair Broadcast Group (Nasdaq: SBGI), Marquee Sports Network brings together one of the most iconic sports franchises in the country with one of the largest television broadcasting companies to deliver unparalleled Cubs coverage, as well as additional local live sporting events and original programming. Marquee Sports Network is available within the Cubs home television territory in portions of Illinois, Indiana, Iowa and Wisconsin, and is carried on more than 50 cable providers, as well as streaming platforms DIRECTV Stream (formerly AT&T TV) and fuboTV.
